

CRD JOB POSTING

Designer

ABOUT US

Chad Roberts Design is a small design studio with a focus on process, execution, and craftsmanship. We create multi-faceted branding and packaging work for select clients focusing on hospitality, food services and boutique products. Our work is stylistically varied, historically informed and strikes a balance between tradition and modernity.

ABOUT THE POSITION

We are looking for a full-time Designer to fill a supportive creative role, assisting with design research, concepts, project follow-through and production. The candidate should have a strong grasp of design principles and typography and have an interest in developing design for food and beverage-focused clients. The position is ideal for someone who enjoys working and learning in an intimate studio environment with other designers and tackling a variety of creative projects.

ABOUT YOU

We are looking for someone with strong design abilities and aesthetic who is equally passionate about producing beautiful and quality work. You are comfortable collaborating with a team and confident about sharing and presenting your ideas thoughtfully. We also welcome bringing additional skills to the table, like photography, illustration or coding.

Whether you have just graduated or already have work experience, we want to hear from designers looking for an opportunity to join a super fun studio in a hands-on creative role.

ESSENTIALS

- Bachelor's Degree/Diploma in Graphic Design or equivalent work experience
- Proficiency in Illustrator, Photoshop, InDesign on MacOS
- Efficient multi-tasker
- Deadline and detail-oriented
- Excellent listening & communication skills
- Must like dogs (we have 2 studio mascots)

Submit your current CV and portfolio to studio@chadrobertsdesign.com.

Due to the large amount of interest we will only respond to selected applicants with a request for interview. Position to commence immediately with interviews to be scheduled as soon as possible.

Please no phone calls or unannounced studio visits.
